Project Orientation

Department of AI&DS

18/06/2026

As Artificial Intelligence and Data Science engineers, you aren't just solving academic exercises; you are building intelligent systems capable of transforming real-world domains. Whether you design generative AI models, predictive analytics platforms, or computer vision solutions, aim for high-impact, industry-relevant challenges. Work systematically across four main phases: problem formulation, rigorous data collection and pre-processing, model training with thorough validation, and practical deployment. Keep a clean repository, document every step, and prioritize reproducibility over raw performance metrics alone. Approach your faculty advisors regularly, collaborate effectively within your teams, and deliver work you will proudly showcase in your professional portfolio.

Career Guidance

Department of Physics

19/06/2026

The Department of Physics, SMASC, Palacode, organized a Career Guidance Programme on 26 June 2026 at 11:30 a.m. Dr. A. Sabarinathan from the Department of Physics served as the Chief Guest and resource person. The programme aimed to guide students towards better career growth and academic success. He explained various career opportunities available after completing B.Sc. Physics and emphasized the importance of proper planning and preparation. The session also focused on examination preparation strategies, understanding the syllabus, effective time management, and identifying important areas of study. All B.Sc. Physics students actively participated and benefited from the valuable guidance. The programme motivated students to prepare systematically and pursue their career goals with confidence.

F.D.P.

Faculty Development Programme

20/06/2026

Sri Moogambigai Arts and Science College (Women), Dharmapuri, affiliated with Periyar University, hosted a Faculty Development Programme (FDP) organized by its IQAC on June 20, 2026. Held at the Seminar Hall, the event commenced at 10:00 AM, convening academic leaders and faculty for professional enhancement. The session was graced by Chief Guest Moogambigai Shree K. Govindaraj, Chairman of the Sri Moogambigai Group of Institutions. Esteemed resource persons included Dr. Pon. Kumar, Prof. Dr. K. Kumaraswamy, and Mr. P. Chandrasekar, who shared expert insights on educational advancement, enriching the faculty members with valuable strategies for academic excellence and institutional growth.

Workshop

Department of B.B.A

22/06/2026

The IQAC and Department of Management Studies (BBA), Sri Moogambigai Arts & Science College (Women), organized a workshop on "Website Design for Business" on 22.06.2026 at the Computer Application Lab. The programme aimed to equip students with the fundamentals of website design and its importance in modern business. Participants learned the basics of creating responsive websites, developing a strong digital presence, and using websites for business growth and branding. The hands-on training enhanced students' technical and entrepreneurial skills. The workshop was highly interactive and beneficial, motivating students to explore digital technologies for future career opportunities and business success.

Orientation Programme

Department of Mathematics

23/06/2026

The Department of Mathematics, Sri Moogambigai College of Arts and Science, conducted an Orientation Programme for the third-year students. The programme was organized by the respective class in charge, Mrs. G. Indhira, with the aim of motivating and preparing students for their final academic year. She addressed the students on the importance of leadership, career guidance, discipline, responsibility, and togetherness. The session encouraged students to develop confidence, strengthen teamwork, and maintain academic excellence. It also inspired them to plan their future careers with determination and dedication. The programme was informative, motivating, and highly beneficial for all participants.

கல்வியிடைப் பயிற்சி முதுகலைத் தமிழாய்வுத்துறை

23/06/2026

பாலக்கோடு ஸ்ரீ மூகாம்பிகை கலை மற்றும் அறிவியல் கல்லூரியின் தமிழாய்வுத் துறை சார்பில், இளங்கலை மூன்றாம் ஆண்டு மற்றும் முதுகலை இரண்டாம் ஆண்டு மாணவிகளுக்கான கல்வியிடைப் பயிற்சி தொடக்க வகுப்பு சிறப்பாக நடைபெற்றது. துணைத் தலைவர் முனைவர் கா.காந்தி அவர்கள் வரவேற்புரை வழங்க, வரலாற்றுத்துறை தலைவர் முனைவர் S. விஸ்வபாரதி தலைமையுரை ஆற்றினார். முனைவர் த.மு. ஆனந்த் வகுப்பை ஒருங்கிணைத்தார். இப்பயிற்சி மூலம் தங்களின் தயக்கங்கள் நீங்கி, எவ்வித அச்சமின்றி படிப்பைத் தொடர முடியும் என மாணவிகள் மகிழ்ச்சியுடன் தெரிவித்தனர். இந்நிகழ்வு மாணவிகளுக்குப் பயனுள்ள வகையில் இனிதே நிறைவுபெற்றது.

Smocking

Department of Fashion Technology

23/06/2026

In this practical, students mastered smocking, a fabric manipulation technique used to create attractive textures and controlled gathers. Using appropriate tools, materials, and specialized stitches, students crafted patterns like honeycomb, cable, diamond, and wave designs. The hands-on session enhanced their skills in stitching, creativity, and surface embellishment. Students explored practical applications for children's wear, women's garments, necklines, and accessories. Ultimately, the exercise helped participants understand how traditional smocking techniques can be successfully integrated into modern garment designs to elevate both aesthetic appeal and overall functionality in fashion.

Jewellery Making

Department of Fashion Technology

23/06/2026

The Jewellery Making Activity was organized by the Department of Fashion Technology to develop creativity, precision, and aesthetic sense among students. The activity aimed to encourage students to explore innovative designing techniques, material selection, and neat craftsmanship. It provided a platform for students to showcase teamwork, time management, and attention to detail. Participants displayed beautifully handmade jewellery using beads, wires, threads, fabric, quilling, clay, and other craft materials that reflected design principles like balance, color combination, and styling. The event helped students understand how creativity and presentation skills used in accessory design are similar to the concepts of fashion design and garment presentation.

Internship Inauguration Department of History

23/06/2026

The Department of History inaugurated its Internship Programme on 23.06.2026 with the objective of providing students with practical exposure to historical research and heritage studies. Dr. S. Vishvabharathi, Head and Assistant professor welcomed the gathering and highlighted the importance of internships in developing research skills, field knowledge, and professional competence. The students were briefed about the internship schedule, objectives, and expected outcomes. The programme concluded successfully with a vote of thanks, expressing sincere gratitude to the Department faculty members for their dedicated support and guidance in making the inauguration a grand success.

Orientation Programme Department of Mathematics

23-24/06/2026

The Department of Mathematics, Sri Moogambigai College of Arts and Science, organized an Orientation Programme for the students. The session was led by Dr. R. Mahalingam, Department of Botany, who served as the resource person. He highlighted the importance of discipline, punctuality, and academic excellence in shaping a successful career. He also provided valuable career guidance, encouraging students to set clear goals, develop essential skills, and maintain a positive attitude towards learning. The programme motivated students to adapt confidently to college life and inspired them to strive for both personal growth and professional success through dedication and hard work.

Python - Workshop

Department of B.B.A

25/06/2026

The Department of Management Studies (BBA), in association with IQAC, Sri Moogambigai Arts and Science College (Women), organized a Workshop on "Python for Business Intelligence" on 25.06.2026 at 10:30 AM in the Seminar Hall. The workshop introduced students to the fundamentals of Python programming and its applications in business analytics. Participants gained practical knowledge in data cleaning, analysis, visualization, dashboard creation, and the use of Python libraries for business intelligence. The interactive sessions enhanced students' analytical, problem-solving, and data-driven decision-making skills. Overall, the workshop successfully prepared students to apply Python in modern business and management practices.

பல் திறன் பயிற்சி முதுகலைத் தமிழாய்வுத்துறை

29/06/2026

தமிழாய்வுத் துறையில் 29.06.2026 அன்று பல் திறன் பயிற்சி நடைபெற்றது. நிகழ்வின் தொடக்கமாக தமிழ்த்தாய் வாழ்த்துடன் குத்து விளக்கேற்றி தமிழ்த்துறைத் தலைவர் கா.காந்தி அவர்கள் வரவேற்பு உரையாற்றினார். அடுத்ததாக கல்லூரி முதல்வர் முனைவர் த. ரகுநாதன் அவர்கள் மற்றும் துணை முதல்வர் இரா. முருகேசன் அவர்களும் வாழ்த்துரை வழங்கி சிறப்பு விருந்தினர் திரு S.விஸ்வ பாரதி அவர்கள் மாணவிகளுக்கு படைப்பாற்றல் வளர்த்தல் குறித்து பயிற்சி அளித்து சிறப்பித்தார் இறுதியாக தமிழ் துறை உதவி பேராசிரியர் கண்ணம்மாள் அவர்கள் நன்றி உரை வழங்கினார் இறுதியாக நாட்டுப்பண் பாடப்பெற்று இவ்விழா இனிதே நிறைவுற்றது.

Canva - Workshop

Department of B.B.A

29/06/2026

The Department of Management Studies (BBA), Sri Moogambigai Arts and Science College (Women), organized a Workshop on "Digital Marketing Insight – Canva" on 29.06.2026 at the AI & DS Lab. The session was led by Mr. N. Suryaprakash, M.A., B.Ed., (Ph.D.), Assistant Professor, Department of English. The workshop introduced students to Canva as a powerful tool for digital marketing and content creation. Participants learned the fundamentals of graphic design, typography, font selection, layering, alignment, and marketing material development. The interactive training enhanced students' creativity, branding skills, and digital communication abilities, preparing them for modern marketing and entrepreneurial opportunities.

Social Media Day

Department of B.C.A

30/06/2026

Social Media Day was celebrated with great enthusiasm to highlight the transformative impact of digital platforms on connection, knowledge sharing, and creativity. The event featured engaging activities, including awareness talks, quizzes, and competitions focused on responsible digital usage. Students actively participated by presenting insights on online safety, positive behavior, and avoiding cyber risks. The programme emphasized using social media wisely for education and innovation. Ultimately, the celebration inspired attendees to cultivate responsible digital citizenship, leveraging technology as a powerful tool for collaboration, learning, and meaningful communication.

Research Methodology

Department of Physics

30/06/2026

The Department of Physics, SMASC, Palacode, organized a Research Orientation Programme on 30 June 2026 at 1:30 p.m. The programme was conducted to motivate students to pursue research and higher education. Mr. P. Inbam from the Department of Physics served as the Chief Guest and delivered an inspiring orientation on the importance of research, innovation, and advanced studies in Physics. He encouraged students to develop scientific curiosity, explore new research areas, and pursue postgraduate and doctoral studies. B.Sc. and M.Sc. Physics students actively participated in the programme. The session provided valuable guidance and motivation, helping students understand the opportunities available in research and higher education.

Doctor's Day

Department of C.L.T

01/07/2026

On 01 July 2026, the Department of Clinical Laboratory Technology and IQAC of Sri Moogambigai Arts and Science College for Women, Palacode, celebrated National Doctors' Day to honour healthcare professionals. The event commenced with a prayer song and a welcome address by the Head of the Department. The resource person delivered an inspiring lecture on the theme, "Behind the Mask: Who Heals the Healers?", addressing doctors' challenges, including emotional stress and long working hours. Students actively engaged in an interactive session, discussing medical ethics, healthcare services, and career opportunities, concluding a meaningful tribute to the medical community.

GST Day

Department of Commerce

01/07/2026

Good and service Tax day celebration.

The

Department of Commerce conducted a GST Celebration on 1 July 2026 to create awareness among students about the importance of Goods and Services Tax in India. The programme was organised by Mrs. K. Bhagiyalakshmi. The event focused on the meaning, objectives, features, and benefits of GST. Students actively participated in the programme and gained valuable knowledge about the GST system and its role in simplifying taxation. The organiser explained the concepts clearly through an informative and interactive session. The celebration helped students understand the significance of GST in the Indian economy. Overall, the programme was informative, engaging, and beneficial to all participants.

C.C.A.

Department of Mathematics

02/07/2026

Sri Moogambigai College of Arts and Science, Department of Mathematics, organized a Co-Curricular Activity Programme for Second Year M.Sc. Mathematics students. The programme was led by Mr. Vadamalai and Mr. Santhosh from the Department of Artificial Intelligence and Science, along with Mr. Krishnan from the Department of Computer Science. The resource persons highlighted the importance of computers and their wide-ranging applications in education, careers, and day-to-day life. They explained how computer knowledge and technological skills are essential for professional growth and encouraged students to develop their digital competencies. The programme provided valuable insights and motivated students to enhance their computer skills for future opportunities.

World Cotton Day

Department of Fashion Technology

07/07/2026

The Cotton Day Celebration was organized by the Department of Fashion Technology to create awareness about the importance of cotton and its role in the textile and fashion industry. The celebration aimed to encourage students to explore the versatility of cotton through fabric draping, garment making, and creative displays. It provided a platform for students to showcase sustainability, innovation, and appreciation for natural fibers. Participants displayed cotton-based garments, accessories, and exhibits that reflected design principles like comfort, breathability, color, and styling. The event helped students understand how cotton connects tradition with modern fashion and supports eco-friendly, sustainable design practices.

Human Ethics

Department of Commerce

09/07/2026

The Department of Commerce conducted a Human Ethics Awareness Programme to create awareness among students about the importance of ethical values in personal and professional life. The programme was organised by Mrs. S. Gayatharsini. The session focused on honesty, integrity, responsibility, respect, empathy, and moral behaviour. Students were encouraged to understand the importance of ethical decision-making and maintaining good values in society. The programme also highlighted the role of ethics in developing responsible citizens and successful professionals. Students actively participated in the programme and shared their views. Overall, the programme was informative, meaningful, and beneficial in promoting ethical awareness among students.

S.I.P Student Induction Programme

06-10/07/2026

Sri Moogambigai Arts and Science College (Women), Thimmarayanahalli, Palacode, Dharmapuri, affiliated with Periyar University, successfully hosted "Deeksharambh" – the Student Induction Programme (SIP) for first-year students. Organized by the Internal Quality Assurance Cell (IQAC), the multi-day program commenced on June 7, 2026, and concluded on July 10, 2026, at the college Seminar Hall. The inauguration took place on July 6, 2026. Designed to welcome new learners, the initiative aimed to ease their transition into college life, familiarize them with institutional values, and embark on a collaborative journey toward academic excellence, growth, and holistic development.

Population Day

Department of C.L.T

13/07/2026

The Department of Clinical Laboratory Technology organized World Population Day to raise awareness among students about global population issues and sustainable development. The programme educated participants on rapid population growth, family planning, reproductive health, women's empowerment, and the responsible use of natural resources. The resource person delivered an insightful session highlighting the impact of population dynamics on health, education, the environment, and food security. Emphasizing collective responsibility and informed decision-making, the speaker engaged students in an interactive Q&A session, fostering a deeper understanding of sustainable societal development and responsible citizenship.

Mime

Department of English

15/07/2026

The Department of English organized a Mime Programme on 15.07.2026 at Seminar Hall – I. The programme was performed by the students of II B.A. English with great enthusiasm and creativity. Through expressive gestures, facial expressions, and silent performance, the students effectively conveyed meaningful social messages on themes such as environmental awareness, gender equality, and humanity. The audience appreciated the performers for their confidence, coordination, and artistic presentation. The programme enhanced students' communication skills, creativity, teamwork, and stage confidence while promoting awareness of important social issues through the powerful medium of mime.

Workshop

Department of Computer Science

15/07/2026

On 15 July 2026, a Workshop on "CANVA – A Powerful Graphic Design Tool" was conducted for II B.Sc. Computer Science students under the guidance of Mr. V. Noor Mohammed, Assistant Professor, Department of Computer Science. He served as the resource person and explained the features and applications of Canva, a popular online graphic design platform. The session covered the creation of presentations and other visual designs using Canva's templates and design tools. Students also learned about image editing, animations, collaboration features, and the importance of graphic design. The interactive hands-on session enhanced students' creativity, digital design skills, and confidence in developing visually appealing content.

Field Visit

Department of History

15/07/2026

Department of History organized a one-day educational field visit to the District Museum to provide students with practical exposure to history, archaeology, and cultural heritage. During the visit, the students explored ancient sculptures, inscriptions, coins, pottery, weapons, and other valuable artifacts preserved in the museum. The museum officials explained the historical significance of the exhibits, enabling students to connect classroom learning with real historical evidence. The field visit enriched the students' knowledge, developed their interest in history and archaeology, and created awareness about the importance of preserving our rich cultural heritage. The programme was successfully organized under the guidance of Dr. S. Vishvabharathi, Assistant Professor and Head, Department of History.

Investor Factors

Department of Commerce

15/07/2026

The Department of Commerce, Sri Moogambigai Arts & Science College (Women's), organized a workshop on "Effective Awareness of Investment Factors in the Share Market". The session was conducted by Mr. M. Arun Kumar, M.Com., M.Phil., Assistant Professor, Department of Commerce. The workshop introduced participants to the key factors involved in investing in the share market. It highlighted fundamental factors such as company earnings, debt levels, management quality, market trends, sector growth, and economic indicators. It also emphasized risk management through diversification and asset allocation. The workshop used simple language to help both beginners and experienced investors make informed and disciplined investment decisions and build wealth steadily.

A.I - Appreciation Day

Department of AI & DS

16/07/2026

Artificial Intelligence Appreciation Day, organized by the Department of Computer Science with Artificial Intelligence and Data Science in association with the Internal Quality Assurance Cell (IQAC) at Sri Moogambigai Arts and Science College (Women), celebrates dedication, innovation, and excellence. Scheduled for 16 July 2026 from 11:30 AM to 1:00 PM at Seminar Hall 1 (Arts Block), the event recognizes the achievements and contributions of students, faculty, and staff. It aims to inspire continuous learning, teamwork, leadership, and academic excellence while encouraging innovation and collaboration. The celebration reflects the college's commitment to empowering future leaders through recognition, motivation, and quality education.

Lab Safety Awareness

Department of Biotechnology

16/07/2026

The PG Department of Biotechnology, Sri Moogambigai Arts and Science College (Women) Organized A Lab Safety Awareness Program is conducted by held on 16/7/2026 designed to educate students and laboratory staff about safe working practices. It emphasizes the correct use of personal protective equipment (PPE), proper handling and storage of chemicals, safe operation of laboratory equipment, and emergency procedures. The program also covers fire safety, waste disposal, first aid, and reporting of accidents or hazards. Participants learn to identify potential risks and follow laboratory rules to prevent injuries and contamination. Regular safety training creates a culture of responsibility, ensuring a safe, healthy, and productive laboratory environment while protecting people, equipment, and the surrounding environment.

Orientation

Department of Mathematics

16/07/2026

Sri Moogambigai College of Arts and Science, Department of Mathematics, organised a Bank Orientation Programme for the students of Mathematics, Commerce and BBA. Mrs. Janani, an employee of Indian Bank, served as the resource person and guided the students about career opportunities in the banking sector. She explained the different levels and patterns of bank examinations and shared useful strategies for scoring higher marks. She also discussed various banking examinations conducted at the national and state levels. The programme provided students with valuable awareness about bank examinations, preparation methods and career opportunities in the banking field.

Fashion Photography

Department of Fashion Technology

17/07/2026

On 17 July 2026, the Department of Fashion Technology at Sri Moogambigai Arts and Science College for Women organized a guest lecture on "Fashion Photography" at the Fashion Technology Lab. Led by guest speaker and professional photographer Mr. S. Venkat, the session explored key concepts including camera handling, lighting, composition, and post-processing editing. Students gained practical insights into how photography drives branding and digital marketing. The interactive format enabled participants to enhance their creative and visual communication skills, equipping them with essential competencies for modern media and business environments.

Vegetable Carving

Department of Fashion Technology

20/07/2026

The fashion meets food arts was organized by the Department of Fashion Technology to develop creativity, precision, and aesthetic sense among students. The activity aimed to encourage students to explore innovative cutting techniques, artistic arrangements, and neat presentation. It provided a platform for students to showcase teamwork, time management, and attention to detail. Participants displayed beautifully carved vegetables and creative plating that reflected design principles like balance, color combination, and styling. The event helped students understand how creativity and presentation skills used in food art are similar to the concepts of fashion design and garment presentation. The programme concluded with appreciation and motivation from faculty members to students for their enthusiastic participation and creative work.

Photo Frame Making

Department of Fashion Technology

20/07/2026

The Department of Fashion Technology organized a Photo Frame Making Activity to foster creativity, precision, and aesthetic skills among students. The event encouraged participants to explore innovative design techniques and decorative arrangements using fabric, lace, beads, and craft materials, emphasizing principles like balance and color harmony. This hands-on activity highlighted the parallels between decorative crafts and fashion design presentation while promoting teamwork and time management. The programme concluded with faculty members motivating and appreciating the students for their enthusiastic participation and exceptional creative displays.

Patch Work Crafts

Department of Fashion Technology

20/07/2026

Patchwork is a creative textile technique in which small pieces of fabric are joined together to form decorative patterns and designs. In this practical, students learned how to select suitable fabrics, measure and cut fabric pieces accurately, arrange them according to the desired design, and stitch them together neatly. Different shapes, colours, textures, and prints were combined to create attractive patterns. The activity helped students develop their creativity, colour coordination, cutting accuracy, stitching skills, and knowledge of fabric utilization. Patchwork can be used in garments, bags, cushion covers, quilts, jackets, home furnishings, and fashion accessories. The practical experience also encouraged students to make effective use of fabric scraps and understand sustainable approaches in fashion design.

Data Mining - Orientation

Department of Computer Science

23/07/2026

On 23 July 2026 A seminar on "Data Mining Using R Language" was conducted for I M.Sc. and II M.Sc. Computer Science students under the guidance of Mr. S. Lakshmanan, Assistant Professor and Class In-charge department of Computer Science, served as the resource person and explained the fundamentals of data mining, along with the use of the R programming language for data analysis and visualization. The interactive session enhanced students' practical knowledge and understanding of modern data analysis techniques. A total of 56 students actively participated and benefited from the seminar.

Plant Breeding Methods

Department of Botany

24/07/2026

On July 24, 2026, the Department of Botany and IQAC of Sri Moogambigai Arts and Science College (Women) hosted a guest lecture on "Plant Breeding Methods." Dr. S. Murugan delivered an inspiring session on traditional and modern breeding techniques, including hybridization, mutation, and biotechnology. Faculty and B.Sc. Botany students actively participated, exploring topics like food security, crop productivity, and climate-resistant varieties. The interactive Q&A session highlighted career and research prospects. Ultimately, the successful programme enhanced students' academic knowledge, deepened their understanding of crop improvement, and motivated them to pursue advanced research in plant sciences.

Medical Coding - Workshop

Department of C.L.T

24/07/2026

The Department of Clinical Laboratory Technology organized a workshop on medical coding to educate students on healthcare documentation, billing, and insurance claims. The program highlighted fundamentals like ICD, CPT, and HCPCS coding systems, translating medical diagnoses and procedures into standardized codes. A keynote session covered essential coding practices, professional responsibilities, confidentiality, and career opportunities in the healthcare sector, followed by an interactive Q&A. The workshop successfully concluded with a vote of thanks, encouraging students to build valuable industry skills for a successful career.

C.C.A.

முதுகலைத் தமிழாய்வுத்துறை

24/07/2026

பாலக்கோடு ஸ்ரீ முகாம்பிகை மகளிர் கலை மற்றும் அறிவியல் கல்லூரியில் தமிழாய்வுத்துறையில் 24.7.2026 அன்று பல் திறன் பயிற்சி நடைபெற்றது. நிகழ்வின் தொடக்கமாக தமிழ்த் தாய் வாழ்த்து, குத்து விளக்கேற்றி தமிழ்த் துறைத் தலைவர் முனைவர் கா. காந்தி வரவேற்புரை ஆற்றினார். அடுத்ததாக கல்லூரி முதல்வர் முனைவர் கே.புஷ்பவல்லி அவர்கள் மற்றும் துணை முதல்வர் ரா.முருகேசன் அவர்களும் வாழ்த்துரை வழங்கினார். சிறப்பு விருந்தினர் செல்வி வி. பிரத்தா ராணி அவர்கள் மாணவிகளுக்கு ஆங்கில மொழி குறித்து பல்திறன் பயிற்சி அளித்தார். தமிழ்த்துறை உதவி பேராசிரியர் முனைவர் ஏ.மா. கவிதா அவர்கள் நன்றியுரை வழங்கினார். இறுதியாக மாணவிகளால் நாட்டு பண்பாடப்பட்டு இவ்விழா இனிதே நிறைவுற்றது.

Kargil Vijay Diwas

Department of History

24/07/2026

The Department of History, Sri Moogambigai College of Arts and Science Women's, Palacode, commemorated Kargil Vijay Diwas on 24 July 2026 with great patriotism and respect. The programme was organized to honour the courage, sacrifice, and dedication of the brave Indian soldiers who laid down their lives during the Kargil War. Faculty members and students actively participated in the event. Patriotic speeches highlighted the significance of the victory and inspired students to uphold the values of national unity, discipline, and service. The celebration concluded with a pledge to remember and honour the heroes of the nation.

Kargil Vijay Diwas

Youth Red Cross - YRC

27/07/2026

The YRC Unit of Sri Moogambigai Arts and Science College (Women) Mallupatti, Palacode, organized a heartfelt celebration on 27.07.2026. The programme aimed to install patriotism, honor the sacrifices of our heroes, and help cadets learn about the significance of Kargil Vijay Diwas. The celebration featured the following performances: SPEECH - English Speech was given by S. Kanishka of II BA English and Tamil Speech was given by Uma of II AI/DS. POSTER MAKING:- Students creatively, colourfully, and informatively posters were created by Sampreethi.P – III BA English, Sakeenah Kauser.K- I BA English, Mamatha.M – II CS, Hemavathi. A – II Chemistry and few more students participated to honor the martyrs of the Kargil war. PLEDGE- Students took a patriotic pledge to reaffirming the promise to protect India's territorial integrity and national security

Seminar

Department of Computer Science

29/07/2026

On 29 July 2026, a College Level Seminar on "Machine Learning" was conducted by the Department of Computer Science. The session was delivered by Mrs. Ellammal K. for the III Year Computer Science students. A total of 80 students actively participated in the seminar. The resource person explained the fundamentals of Machine Learning, its types, algorithms, real-world applications, and future career opportunities in Artificial Intelligence. Students actively interacted by asking questions and participating in discussions. The seminar enhanced their understanding of Machine Learning concepts and inspired them to explore emerging technologies for academic and professional development.

Zooplankton

Department of Zoology

29/07/2026

The Department of Zoology and IQAC of Sri Moogambigai Arts and Science College, Dharmapuri, organized a one-day workshop on "Impact of live feeding in Aquaculture and Morphological taxonomy of freshwater Zooplankton" on July 29, 2026. Dr. N. Manickam delivered an expert lecture on zooplankton taxonomy, ecological significance, and aquaculture applications, detailing sample collection and microscopic identification of groups like Rotifera and Cladocera. A practical session provided students hands-on experience in isolating and identifying species used as live feed for fish larvae. Faculty and students actively participated, gaining valuable insights into sustainable aquaculture and biodiversity research.

C.C.A.

Department of Mathematics

29/07/2026

Sri Moogambigai College of Arts and Science, Department of Mathematics, organised a Co-Curricular Activity Programme for first-year students. The programme was led by the resource person Mr. Surya Prakash, Department of English. He highlighted the importance of English language proficiency and effective communication skills for students' future careers. He explained the significance of the language laboratory in improving pronunciation and communication. He also emphasised the development of vocabulary, grammar, reading, and writing skills. The session was informative and interactive, encouraging students to enhance their English language abilities. The programme motivated students to develop confidence and improve their overall communication skills.

World Ocean Day

Department of Microbiology

30/07/2026

The Department of Microbiology organized a World Ocean Day Awareness Program to highlight the importance of protecting oceans and marine ecosystems. The program aimed to educate students about ocean conservation, the harmful effects of plastic pollution, and the role of microorganisms in maintaining marine biodiversity. Faculty members delivered informative talks, and students actively participated in awareness activities and discussions. Posters and presentations emphasized the need to reduce plastic waste and adopt environmentally friendly practices. The event inspired participants to take responsibility for preserving ocean health and promoting sustainable habits. The program concluded with a pledge to protect oceans for future generations.

Freshers Day Celebration

29/07/2026

Sri Moogambigai Arts and Science College for Women celebrated a vibrant Freshers' Day on July 31, 2026. Marking a delightful beginning for new students, the celebrations were organized separately across each department, fostering a close-knit and welcoming atmosphere. The campus buzzed with enthusiasm as seniors warmly welcomed the incoming batch through an array of engaging cultural events, dance performances, and interactive games. These department-wise celebrations allowed freshers to showcase their talents, build camaraderie with peers, and integrate smoothly into the college community, setting an energetic and positive tone for the upcoming academic year.

UG PROGRAMME

- B.A. Tamil,
- B.A. English,
- B.A. History,
- B.B.A,
- B.Commerce,
