CHAIRMAN'S DESK

Thiru. K. Govindaraj, Chairman,
Sri Vidya Mandir, Radha Matriculations and
Sri Moogambigai Group of Institutions
Palacode, Dharmapuri Dist.

Namaste!

"To be liberated, woman must feel to be herself, Not in rivalry but in the context of her own capacity and her personality achieve through education."

Whatever good we see in our world today is because of the educative mind behind it. Education is the first step for people to gain knowledge, critical thinking, empowerment and skill they need to make this world a better place. So, education is the platform that makes it possible to overcome all barriers especially the womenfolk.

Ensuring quality higher education along with ethical values are one of the most important things we can do for future generations. By creating awareness amongst today's youngsters on sustainable development in social, economical, political and spiritual matters is not just a matter of teaching - It is about inspiring action.

We, in Moogambigai, nurture our learning community and every student is precious to us.

I Congratulate the students for their right start in education career in Moogambigai.

ABOUT US

"Educating a women is educating the whole family"

Sri Moogambigai College of Arts and Science (Women) was established in June, 2018 for the upliftment and the betterment of Women community. It is being managed and run by the renowned, benevolent Palacode Sri Vidya Mandir Educational and Charitable Trust. We offer 18 UG courses, 8 PG courses and Ph.D., [Tamil] Research Programme to improve the quality of teaching at all levels of education. Spread over a vast area, the sprawling campus is situated 33 kms from Dharmapuri and 54 kms from Hosur. It is well connected with nearby towns by bus and train services. Our institution is playing a pivotal role in disseminating higher education to the womenfolk. It is noted for its long-standing reputation for discipline, spiritual values and rigorous training. Our Institution has a team of well experienced faculty members. The academic ventures are reviewed regularly by inviting great luminaries from various parts of the nation. Our college embodies a rich tradition of excellence in teaching and has thus diffused dynamism and knowledge to several learners in the sands of time. It upgrades its facilities from time to time, to set up the best pedal of access for its students.

SRI MOOGAMBIGAI
College of Arts & Science For Women

OUR VISION

To Visualize a future where the empowerment of women is no more a goal but a reality. To provide quality resources and innovative service to stimulate creativity and to facilitate lifelong learning and research on a wider level to attain excellence with touch up human values.

OUR MISSION

“The empowered woman is powerful beyond measure and beautiful beyond description”

To provide a distinct liberal arts learning experience while nurturing the elements, values, beliefs and insights that make us human. It seems to bring about a great change in society’s attitude towards women by inculcating confidence in them regarding their own potential as an economically independent workforce and equal partner in social transformation.

SALIENT FEATURES

To realize this Vision and accomplish its Mission, the college has set the following objectives.

The mission is to

- ✔ Motivate the students to pursue their career more effectively.
- ✔ Obtain the use of improvised technology in imparting holistic education.
- ✔ Open to create awareness regarding communal harmony and ignite national feeling.
- ✔ Gain knowledge for social transformation.
- ✔ Acquire success oriented learning environment.
- ✔ Maintain moral principles and integrated personalities.
- ✔ Build confidence, intellectual growth and spiritual strength.
- ✔ Inculcate the inner strength, values, ethics and social responsibilities as womenfolk.
- ✔ Give transformative education for those who learn differently.
- ✔ Awareness in students for environmental issues, thus motivating them to promote ecological justice and sustainable development by the well functioning of ECO club
- ✔ Instill in the students a sense of pride and appreciation of Indian traditions and cultures.

Inauguration by **Thiru K P Anabalan**, Ex Higher Education Minister TN.

| **Pattimandram Raja**, Indian TV Debator.

| **Dr Velmurugan**, Playback Singer.

| **Dr Gnanasamnamdham**, Orator & Actor.

| **Dr. Dhamu**, Comedian-Mimicry Artist.

| **Dr. Parveen Sultana**, Orator & Educationalist.

INFRASTRUCTURE

SMCW is located in calm and quiet surroundings that are conducive to learning. It helps to stimulate both personal and professional growth of the students. The class-rooms are spacious, ventilated, well-equipped fully-furnished with projectors and screens to facilitate effective teaching-learning experience for the faculty and students equipped with modern technology. The class room has a capacity of 70 seats and a spacious seminar Hall which can accommodate 250 students at a time for conducting seminars, conferences, meetings and other events.

LABORATORIES

SMCW has set up highly advanced science and computer laboratories on par with attached to different departments. These are adequately equipped with the latest gadgets, instruments and apparatus with the aim of providing students conceptual as well as practical understanding of the subject through hands-on training.

LIBRARY

Library contains a large number of national and international books, journals and other learning resources. A digital library section also offers the latest online reading materials including databases such as INFLIBNET and DELNET.

DRINKING WATER

The college provides access to safe drinking water to all. By installing water purifiers on all the floors of buildings on campus. These water purifiers are maintained and serviced by authorised professionals at regular intervals.

CAFETERIA

The FSSAI-certified SMCW Cafeteria which can house a floating population of nearly 150 students at a time provides nutritious tasty food, snacks and drinks are available for the students, staff and faculty.

COURSES OFFERED

UNDER GRADUATE PROGRAMMES

School of Arts & Humanities

B.A., Tamil
B.A., English
B.A., History

School of Business Management and Commerce

B.B.A.,
B.Com.,
B.Com., CA

School of Computing Sciences

B.C.A.,
B.Sc., Computer Science
B.Sc., Artificial Intelligence & Data Sciences

School of Physical Sciences

B.Sc., Physics
B.Sc., Chemistry
B.Sc., Mathematics

School of Life Sciences

B.Sc., Botany
B.Sc., Zoology
B.Sc., Microbiology
B.Sc., Bio-Technology
B.Sc., Clinical Laboratory Technology

School of Fashion Technology

B.Sc., Fashion Technology

POST GRADUATE PROGRAMMES

School of Arts & Humanities

M.A., English
M.A., Tamil

School of Commerce

M.Com.,

School of Computing Sciences

M.Sc., Computer Science

School of Physical Sciences

M.Sc., Physics
M.Sc., Chemistry
M.Sc., Mathematics

School of Life Sciences

M.Sc., Bio-Technology

Research Programme

Ph.D., Tamil [FT/PT]

SCHOOL OF ARTS & HUMANITIES

- 🎓 B.A., Tamil
- 🎓 B.A., English
- 🎓 B.A., History
- 🎓 M.A., English
- 🎓 M.A., Tamil

OUR VISION

- The vision of the Department is to develop communication skills among the students. To prepare them for their professional needs in the globalized scenario prevalent today. We seek to foster knowledge and a love of literature and of language in our students. We will encourage a love of learning and an appreciation for a liberal education.

OUR MISSION

- To disseminate the most ideal pedagogical inputs for literary studies from undergraduate to post, doctoral level on par with the best worldwide institutes and to emphasize the importance of developing strong writing skills, promoting cultural diversity and encouraging creativity, including the department's goal for providing comprehensive education.
- To provide transformative, holistic and value-based immersive learning experiences for students.

தமிழ்நாடு அரசின் "மாபெரும் தமிழ்க் கனவு தமிழ் மரபு மற்றும் பண்பாட்டுப் பரப்புரை" நடைபெற்றது. முதலாமாண்டு வணிகவியல் துறையைச் சேர்ந்த மாணவி மா.ரேகா கலந்துக்கொண்டு, சிறப்பான தனது பங்களிப்பை வழங்கி, "கேள்வி நாயகி" என்ற பட்டத்தை வென்றார்.

SCHOOL OF BUSINESS MANAGEMENT AND COMMERCE

- 🎓 B.B.A.,
- 🎓 B.Com.,
- 🎓 B.Com., CA
- 🎓 M.Com.,

OUR VISION

- The students are offered specialization in Management education and research. The Business Administration programme develops business sensitivity through experimental and professional learning to provide you with the right platform for career development.
- To impart specialized knowledge and practical training in the core areas of Commerce and Computer Applications, that enables the stakeholders to channelize their intellect and skill towards global recognition.

OUR MISSION

- “To provide a traditional, conformist and innovative educational environment for creating global competencies and bring awareness to our rich and varied heritage to develop social responsibility among students from all backgrounds”.
- To enhance the practical skills through certified training and motivate students to undertake professional courses and entrepreneurship.

SCHOOL OF COMPUTING SCIENCES

- 🎓 B.C.A.,
- 🎓 B.Sc., CS
- 🎓 B.Sc., AI & DS
- 🎓 M.Sc., CS

OUR VISION

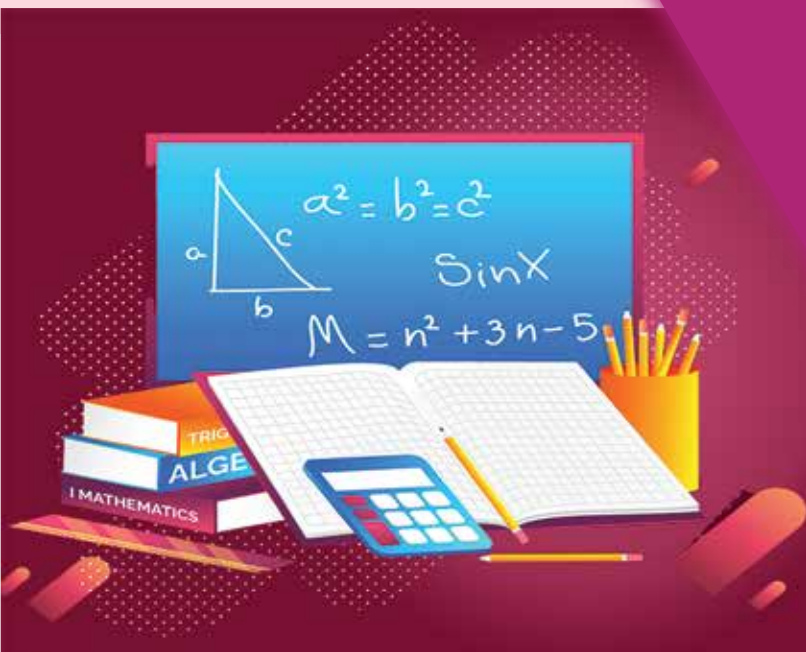

- We provide quality, cutting edge educational experiences for computing majors at the Bachelor's level.
- To impart the ability for tackling simple to complex problems individually as well as in a team.
- To provide an intellectual environment that support the search for knowledge in a high dynamic computing world through quality teaching, focused on contemporary research, innovative approaches, ethical practices and entrepreneurship.

OUR MISSION

- To provide students with a strong Theoretical, Application and Practical background in the discipline, including software development.
- The department aims to provide students with strong conceptual foundations, and also exposes them to the forefront of the developments in the field of computing.

SCHOOL OF PHYSICAL SCIENCES

- 🎓 B.Sc., Physics
- 🎓 B.Sc., Chemistry
- 🎓 B.Sc., Mathematics
- 🎓 M.Sc., Physics
- 🎓 M.Sc., Chemistry
- 🎓 M.Sc., Mathematics

OUR VISION

- To develop the students as heightened intellectual, cultural, ethical, and humane sensitivities; to foster a scientific temper and to promote professional and technological expertise by igniting and nurturing enthusiasm, interests and passion in the study of chemistry as a part of the curriculum.
- To build a reputation as a nationally recognized undergraduate physics department that provides formative student research experience.
- Develop an intellectually vigorous community of students and faculty together engaging in research, teaching and learning that advance knowledge in diverse areas of Mathematics and support current progress in science.

OUR MISSION

- To discover, mentor, and nurture mathematically inclined students, and provide them with a supportive environment that fosters intellectual growth and to employ effective educational tools for our undergraduate and graduate courses, informed by the scholarship of teaching and learning of college-level mathematics.
- To transform society through the empowerment of women, provide inexpensive educational services to the weaker sections of society and reinvent ourselves in response to the changing demands of society.

SCHOOL OF LIFE SCIENCES

- 🎓 B.Sc., Botany
- 🎓 B.Sc., Zoology
- 🎓 B.Sc., Microbiology
- 🎓 B.Sc., Bio-Technology
- 🎓 B.Sc., Clinical Lab Tech
- 🎓 M.Sc., Bio-Technology

OUR VISION

- The department of life sciences focus on acquiring fundamental knowledge of the living world that will advance the health of the planet, including humans.
- Providing meaningful opportunities to the science stream students towards becoming scientists through the innovative courses and hands on laboratory experience and stimulating research projects with assistance from the faculties members.

OUR MISSION

- The department of Biological Sciences is committed to deepening a culture of discovery from a modern life sciences perspective through teaching and research that emerge from interdisciplinary and collaborative problems. As a community of learners composed of students, faculty and staff, our objectives are to study biological phenomena with broad societal ramifications, understand foundational mechanisms from the scale of gene expressions in macroevolution and develop and teach knowledge that can be applied to pressing and complex issues.

SCHOOL OF FASHION TECHNOLOGY

🎓 B.Sc.,
Fashion Technology

OUR VISION

- To provide dynamic and impactful education in the field of Fashion Technology, facilitate transfer of knowledge and skills; achieve academic excellence in meeting the emerging needs of the nation's fashion industry and the world. To achieve excellence in academic and research and face the challenges of the fashion and clothing industry.

OUR MISSION

- To cultivate the practical skills of students as well as the faculty.
- To empower individuals through high-quality, sustainable fashion that respects our planet.
- Offering practical training which enhances their potential for employability.

ANTI RAGGING COMMITTEE

In accordance with UGC norms, ragging in any form is strictly forbidden. The Anti - Ragging Committee in our college is functioning well under the supervision of the Principal. Heads of various departments are its nominated members with two senior students and junior students respectively who voluntarily and effectively participate in the committee. Our Principal also arranges committee meetings in each semester to rectify (or) overcome the queries of the students.

WOMEN EMPOWERMENT CELL

Women Empowerment Cell plays an essential part in our college to empower girl students. It's vital role is to solve the issues related to women and to make the college campus a safe place for women and the faculties as well. The Cell provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to empower themselves. The Coordinator of the Cell also arranges seminars and lectures with highlighted women for the upliftment and awareness of the womenfolk.

ECO CLUB

With environmental hazards increasing every year, it's time to keep our environment clean and safe. Eco Club has the need for creating environmental awareness among the future generation. The Club builds up awareness on education and makes our students not only Eco intelligent but also good Eco player. It trains the green volunteers for gardening on various aspects such as medicinal and agricultural. This Club mobilizes students' participation for preservation and conservation of nature and to keep our environment green and clean.

NATIONAL SERVICE SCHEME (NSS)

"Personality Development through social service", to prove and witness the above saying, the NSS of our college functions tirelessly by inviting fraternities from all works & life. The main aim of this club is never to instill, sense of the social responsibility by emphasizing "Not me, but you". Through this club of college, awareness Programme on various aspects are being conducted of regular intervals

YOUTH RED CROSS (YRC) & RED RIBBON CLUB (RRC)

Red Cross Promotes the Humanitarian values, in turn it encourage respect for other human beings. Both YRC and RRC of our college motivate and guide the students to involve in activities like hospital services, organization of blood donation campus, awareness Programme on HIV/AIDS, Family welfare, women Hygiene, Premature Marriage, Child labours, Relief operations in accidents and so on.
